11. (Confidential - JGO) In response to his call, I met with Representative F. Edward Herbert (D., W.Va.). Mr. Herbert advised that he had been informed that Judge Bagert had received a privileged communication from the Central Intelligence Agency. The communication, which was described as a very courteous letter, has been turned over to the Grand Jury. Mr. Herbert was also advised that the motion to quash the subpoena for appearance of the FBI resident agent, Mr. Regis Kennedy, had been heard and would be denied in keeping with the Supreme Court decision in the Reynolds case. Mr. Herbert reiterated that he felt the Agency was well advised in following a course of apparent cooperation with the Courts and Jury in New Orleans.

12. (Confidential - JGO) In response to a call from Mrs. Lil Benedict, Personal Secretary to Chairman Teague, went by and received from her a copy of the latest itinerary of Mr. Teague's trip through the Far East. The Chairman will not have time for an Agency briefing prior to departure. Mrs. Benedict related that she had been advised that a Mr. [REDACTED], of the Vietnam Working Group, cabled the itinerary to Vietnam this afternoon.

I called Mr. [REDACTED] who advised that a Department cable had been forwarded during the afternoon but that it did not contain Mr. Teague's reported request for CIA briefing. Mr. [REDACTED] will provide the cable reference numbers tomorrow and will advise should he handle any further traffic relating to this trip. He noted in passing that since this was a White House arranged matter that the details provided him were somewhat sketchy.

13. (Internal Use Only - LLM) Spoke with Mr. Jack DeSipio, Civil Service Commission, in connection with the "transfer of credit" and "guaranteed minimum" legislative proposals as they affect the Civil Service Retirement Act. Mr. DeSipio said they were not optimistic about favorable action on these in the near future. I plan to see several individuals whose names he suggested who are technical experts in these areas.
